Event details

This event will provide a definitive guide to the latest developments in building contracts and construction law in Scotland. It is suited to Architects, Engineers, Solicitors, Chartered Surveyors and Contractors.

Discussion on the potential implications of the 2014 Scotland Referendum for the construction sector with addresses from Nicola Sturgeon MSP and Alistair Darling MP outlining the benefits of 'yes' or 'no' is the highlight of the programme. Equally attractive are the updates on the challenges of procurement, the impact of BIM on contracts, fresh guidance on contract selection and advice on best use in a changing landscape. The outstanding speakers include John Riches (JCT), Mike Towers (McLaren Murdoch & Hamilton), Lindy Patterson (Dundas & Wilson), David Scott and Kirsti Olson (Maclay Murray & Spens), Doug Fiddes (Baxter Dunn & Gray, the SBCC Chair), Shona Frame (MacRoberts), Janey Milligan (Construction Dispute Resolution) and Kenny Valentine (Pinsent Masons). Such a star cast and targeted programme will ensure delegates leave roundly informed of critical changes affecting their industry today and tomorrow.
