

Job Title: Quantity Surveyor / Senior Quantity Surveyor

Location: Aberdeen

Salary: Dependant on experience

About Us

BDG Thomson Gray is a multi-disciplinary practice, offering Quantity Surveying, Cost Consultancy, Project Management, Principal Designer and Dispute Resolution services.

We are recruiting a Quantity Surveyor / Senior Quantity Surveyor, preferably with experience in private practice or client-side roles. We are currently involved in residential developments, both private and affordable housing; commercial; retail and industrial.

Core Responsibilities

- Cost Planning
- Feasibility and Order of Cost Estimating
- Development Monitoring
- Preparation of tender and contract documentation
- Reinstatement Cost Assessments
- Acting as Employer's Agent
- Attending project and design team meetings
- Attending client meetings
- Assisting in the development of junior staff

Key Requirements

- Degree qualified in a related subject.
- Either MRICS or looking for career progression towards MRICS.
- Interested in career development.
- Excellent communication skills and an ability to work on own initiative.
- Strong IT skills. Training will be provided in use of BoQ software.
- Have a clean current driving license (the role will involve travelling to sites).

How to Apply

Submit your CV together with a covering letter outlining your qualifications and demonstrating how your qualifications and experience match the job description given to office@bdgthomsongray.co.uk
